

Betterment Association Looking for Volunteers

The Hopedale Betterment Association is seeking volunteers for its 2017 Spring and Summer projects. Volunteers are needed in the area of landscaping, yard work, painting, debris and yard waste removal. Volunteers with pick-up trucks are needed. Both Betterment members and non-members are welcome to participate. Spend as much or as little time as you desire on these projects. All expenses are paid through Betterment donations.

In Fall of 2016, the Betterment Association volunteers scraped and painted an old wooden building located on Route 122 near Casey's General Store. Beautification projects like these and other clean-up projects suggested by the general public are done free of charge or at a very nominal cost to the property owner.

If you are interested in volunteering or if you have a property which needs cleaned, painted or landscaped, please contact Becky at (309) 449-4296 and mention the Hopedale Betterment Association Community Pride Project. Someone will be in touch with you.
